<p>B.5</p>	<p>Progress Report.</p> <p>Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan.</p> <p>In reviewing the goals as stated in the most recent Five-Year Plan submitted by the Davis Community Housing Authority, we find the following:</p> <p>a. Expand the supply of assisted housing</p> <p>DCHA is continually searching for opportunities to expand the supply of assisted housing. DCHA continues to look for property to build new units. We hope to obtain tax credits and State funds to build some permanent supportive or affordable housing. The project would set aside units for homeless families. In addition, we would project base Section 8 vouchers. The DCHA received 75 Mainstream and 5 VASH Vouchers.</p> <p>b. Improve the quality of assisted housing</p> <p>Our modernization programs are proceeding as planned. All Capital Fund monies are obligated and expended within HUD requirements. We continue to concentrate our efforts on improving safety and "curb appeal" at all our properties in order to meet PHAS requirements.</p> <p>c. Increase assisted housing choices:</p> <p>We review the payment standard as necessary.</p> <p>d. Provide an improved living environment</p> <p>De-Concentration has not been a problem in the DCHA complexes. DCHA has a camera system at our elderly/disabled projects which provides a sense of security for our residents.</p> <p>e. Promote Self-Sufficiency and asset development of assisted households</p> <p>DCHA works closely with other agencies that provide services for elderly and disabled families to help increase independence. A high percentage of clients are either fully or partially employed. We continue to administer a Self-Sufficiency program for Section 8 Voucher clients, who are eligible and interested, providing them with appropriate referrals when needed. DCHA will continue to provide this service to our Family Self-Sufficiency clients.</p> <p>f. Ensure equal opportunity and affirmatively further fair housing for all Americans</p> <p>DCHA has made changes to our policies, documents, applications, etc., concerning the disabled. Policies have been approved by FHEO and the DCHA Board of Commissioners. We continue to make progress on accessible issues for our residents that are feasible under the Uniform Federal Accessibility Standards (UFAS).</p> <p>g. Manage the DCHA's existing public housing program in an efficient and effective manner thereby qualifying for the highest performance standard possible</p> <p>We consistently strive to maintain a vacancy rate of 15 days or less. We will strive to gain High Performer status under PHAS.</p> <p>h. Manage the DCHA's tenant based program in an efficient and effective manner; thereby qualifying for the highest performance standard possible</p> <p>DCHA's Section 8 units are re-inspected under HQS quality control at 5% or more. Seventy-five percent or more of tenant files are reviewed for quality control.</p> <p>i. Deliver timely and high quality maintenance service to the residents of Davis Community Housing Authority</p> <p>DCHA's response time to emergency work orders is within the 24 hour standard. We consistently maintain a routine work order turn-around time within HUD standards.</p> <p>j. Ensure full compliance with all applicable standards and regulations including government generally accepted accounting practices</p> <p>DCHA has a staff Controller and our books of account are in full compliance with GAAP.</p>

	<p>k. DCHA operates an owner-occupied rehab program using CDBG funds and other monies</p> <p>We have successfully administered single and multi-family rehab programs for over 30 years. The program income derived from these loans is growing.</p> <p>l. Operate a fully successful program for disabled families</p> <p>DCHA's current Section 8 Voucher Mainstream program is continually 100% leased. DCHA's new allocation of 75 is in the process of being leased.</p>
